EUROPEAN DIRECTIVES REGULATORY COMPLIANCE STATEMENT

ISC, S.L. declares that we do not intentionally add any of the banned substances listed in the European Directives: 2000/53/EC (ELV), 2011/65/UE (RoHS), 2015/863/UE (RoHS Amends Annex II), 2002/96/UE (WEEE), or 2003/11/UE to our processes or products ranges.

ISC, S.L. does not manufacture the raw material that is used in our production processes, however, our raw material manufacturers have assured us that the banned substances polybrominated biphenyl, polybrominated diphenyl ether, pentabromodiphenyl ether, and octabromodiphenyl ether, and the heavy metals cadmium, hexavalent chromium, lead, mercury and their compounds are not intentionally added to resins they manufacture.

Therefore we are confident that, if present at all, the levels of PBB, PBDE and Heavy Metals are below the limits of the European Directives.

ISC, S.L. makes no warranties, express or implied, and assumes no liability in connection with any use of this information.

Barcelona, december 2018

Fco .Dominguez

Quality Manager
